Ek navjavan ke badan se humesha mushk
va ambar ki khushbu mehekti rehti thi, to
usse kisi ne puchha ki aap humesha itni
achchi khushbu laga-kar rakhte he isme
kitne paise kharch karte he?

To is par us navjavan ne kaha mene
zindagi me koyi khushbu nahi kharidi,
aur na hi koyi khushbu lagayi he, to
puchhne vale ne kaha fir ye khushbu kaha

se aati he, to navjavan ne kaha ki ye ek raaz he jo batlane ki nahi, puchhne vale ne kaha aap batla dijiye shayad isse ham ko bhi fayda ho.

navjavan ne apna vakiya sunaya ki mere valid ek tajir the, gharelu saaman becha karte the, me unke saath dukan par betha huva tha, ek buddhi aurat ne aa-kar kuchh saaman kharida aur mere valid se kaha ki aap ladke ko mere saath bhej dijiye, taaki me iske saath saaman ki kimat bhej du, me us budhi aurat ke saath gaya to ek khubsurat ghar me pohcha, to usme takht par ek khubsurat ladki bethi huvi thi.

vo mujhe ko dekhte hi meri taraf aane lagi, mene uski khvahish puri karne se inkar kiya to usne mujhe apni taraf khicha fauran Allah ne mere dil me ek baat dali, mene kaha mujhe istinja ka takaja he, usne fauran apne naukaro se

kaha ki jaldi se toilet iske liye saaf kardo, mene toilet me dakhil ho kar napaki se apne badan ko napak kar liya aur issi halat me bahar aa-gaya.

jab mujhe is halat me dekha to kaha ki isae fauran yaha se bahar karo, ye pagal malum hota he, mere pas ek dirhum tha, mene usse ek sabun kharid kar ek neher me jakar gusal kiya, aur kapde bhi dho liye.

Mene ye raaz kisi ko nahi batlaya, jab raat ko soya to khavab me dekha ki ek farishte ne aa-kar mujhe se kaha ki Allah ki taraf se tum ko jannat ki khush-khabri he, musibat se bachne ke liye jo tadbir tum ne ikhtiyar ki thi uske badle me tum ko ye khushbu pesh ki jaa rahi he, isliye mere pure badan par vo khushbu lagaayi gayi he jo mere pure badan aur kapdo se mehekti rehti he, jo aaj tak log mehsus karte he.
